Subject: Sunbridge Stewardship District
District Engineers Public Facilities Report
Poulos & Bennett Job No. 18-203

Dear Ms. Mullins,

In accordance with Section 6 of the legislation for the Sunbridge Stewardship District, this letter serves as the Public Facilities Report. At this time, there is currently no completed infrastructure and therefore no maintenance or repair recommendations.

We have reviewed the Operation and Maintenance budget for the Fiscal Year 2021 and believe that it is sufficient for the proper operation and maintenance of the Sunbridge Stewardship District.

Please contact me should you have any questions or require any additional information.

Sincerely,

Christina M. Baxter, P.E.
