51 Sunbridge Stewardship District lands located within Osceola
52 County and covered by this act to provide for a more
53 comprehensive communities development approach, which will
54 facilitate an integral relationship between transportation, land
55 use and urban design to provide for a diverse mix of housing and
56 regional employment and economic development opportunities,
57 rather than fragmented development with underutilized
58 infrastructure generally associated with urban sprawl.

59 (c) The establishment of a special and limited purpose
60 independent special district for the Sunbridge Stewardship
61 District lands will allow for the responsible management of an
62 area containing three watersheds and the intersection of the two
63 largest water management districts in the state. The headwaters
64 of the Econlockhatchee, St. Johns, and Kissimmee Rivers converge
65 on the Sunbridge Stewardship District lands. The establishment
66 of the district will further contribute to the ability to tailor
67 water resource solutions to the needs of each watershed and
68 basin to ensure the protection of the natural systems and
69 achieve conservation goals while facilitating the highest and
70 best use for the real property within the Sunbridge Stewardship
71 District.

72 (d) There is a considerably long period of time during
73 which there is a significant burden to provide various systems,
74 facilities, and services on the initial landowners of these
75 Sunbridge Stewardship District lands, such that there is a need

76 | for flexible management, sequencing, timing, and financing of
77 | the various systems, facilities, and services to be provided to
78 | these lands, taking into consideration absorption rates,
79 | commercial viability, and related factors.

80 | (e) While chapter 190, Florida Statutes, provides an
81 | opportunity for community development services and facilities to
82 | be provided by the establishment of community development
83 | districts in a manner that furthers the public interest, given
84 | the size of the Sunbridge Stewardship District lands and the
85 | duration of development and that the Sunbridge Stewardship
86 | District lands are located within the headwaters of three major
87 | river systems, establishing multiple community development
88 | districts over these lands would result in an inefficient,
89 | duplicative, and needless proliferation of local special purpose
90 | government, contrary to the public interest and the
91 | Legislature's findings in chapter 190, Florida Statutes.
92 | Instead, it is in the public interest that the long-range
93 | provision for, and management, financing, and long-term
94 | maintenance, upkeep, and operation of, services and facilities
95 | to be provided for ultimate development and conservation of the
96 | lands covered by this act be under one coordinated entity. The
97 | creation of a single district will assist in integrating the
98 | management of state resources and allow for greater and more
99 | coordinated stewardship of water, waste, energy, habitat and
100 | natural system resources.

101 (f) Longer involvement of the initial landowner with
102 regard to the provision of systems, facilities, and services for
103 the Sunbridge Stewardship District lands, coupled with the
104 special and limited purpose of the district, is in the public
105 interest.

106 (g) The existence and use of such a special and limited
107 purpose local government for the Sunbridge Stewardship District
108 lands, subject to the Osceola County comprehensive plan, will
109 provide for a comprehensive and complete communities development
110 approach to promote a sustainable and efficient land use pattern
111 for the Sunbridge Stewardship District lands with long-term
112 planning for conservation, development, and agriculture and
113 silviculture on a large scale; provide opportunities for the
114 mitigation of impacts and development of infrastructure in an
115 orderly and timely manner; prevent the overburdening of the
116 local general purpose government and the taxpayers; and provide
117 an enhanced tax base and regional employment and economic
118 development opportunities.

119 (h) The creation and establishment of the special district
120 will encourage local government financial self-sufficiency in
121 providing public facilities and in identifying and implementing
122 physically sound, innovative, and cost-effective techniques to
123 provide and finance public facilities while encouraging
124 development, use, and coordination of capital improvement plans

125 by all levels of government, in accordance with the goals of
126 chapter 187, Florida Statutes.

127 (i) The creation and establishment of the special district
128 will encourage and enhance cooperation among communities that
129 have unique assets, irrespective of political boundaries, to
130 bring the private and public sectors together for establishing
131 an orderly and economically sound plan for current and future
132 needs and growth.

133 (j) The creation and establishment of the special district
134 is a legitimate supplemental and alternative method available to
135 manage, own, operate, construct, and finance capital
136 infrastructure systems, facilities, and services.

137 (k) In order to be responsive to the critical timing
138 required through the exercise of its special management
139 functions, an independent special district requires financing of
140 those functions, including bondable lienable and nonlienable
141 revenue, with full and continuing public disclosure and
142 accountability, funded by landowners, both present and future,
143 and funded also by users of the systems, facilities, and
144 services provided to the land area by the special district,
145 without unduly burdening the taxpayers, citizens, and ratepayers
146 of the state, Osceola County, any municipality therein, or the
147 Tohopekaliga Water Authority.

148 (l) The special district created and established by this
149 act shall not have or exercise any comprehensive planning,

150 zoning, or development permitting power; the establishment of
151 the special district shall not be considered a development order
152 within the meaning of chapter 380, Florida Statutes; and all
153 applicable planning and permitting laws, rules, regulations, and
154 policies of Osceola County control the development of the land
155 to be serviced by the special district.

156 (m) The creation by this act of the Sunbridge Stewardship
157 District is not inconsistent with the Osceola County
158 comprehensive plan.

159 (n) It is the legislative intent and purpose that no debt
160 or obligation of the special district constitute a burden on any
161 local general-purpose government or the Tohopekaliga Water
162 Authority without its consent.

667 Section 5. Board of supervisors; members and meetings;
668 organization; powers; duties; terms of office; related election
669 requirements.-

670 (1) The board of the district shall exercise the powers
671 granted to the district pursuant to this act. The board shall
672 consist of five members, each of whom shall hold office for a
673 term of 4 years, as provided in this section, except as
674 otherwise provided herein for initial board members, and until a
675 successor is chosen and qualified. The members of the board must
676 be residents of the state and citizens of the United States.

677 (2) (a) Within 90 days after the effective date of this
678 act, there shall be held a meeting of the landowners of the
679 district for the purpose of electing five supervisors for the
680 district. Notice of the landowners' meeting shall be published
681 once a week for 2 consecutive weeks in a newspaper that is in
682 general circulation in the area of the district, the last day of
683 such publication to be not fewer than 14 days or more than 28
684 days before the date of the election. The landowners, when
685 assembled at such meeting, shall organize by electing a chair,
686 who shall conduct the meeting. The chair may be any person
687 present at the meeting. If the chair is a landowner or proxy
688 holder of a landowner, he or she may nominate candidates and
689 make and second motions. The landowners present at the meeting,
690 in person or by proxy, shall constitute a quorum. At any
691 landowners' meeting, 50 percent of the district acreage shall

692 not be required to constitute a quorum, and each governing board
693 member elected by landowners shall be elected by a majority of
694 the acreage represented either by owner or proxy present and
695 voting at said meeting.

696 (b) At such meeting, each landowner shall be entitled to
697 cast one vote per acre of land owned by him or her and located
698 within the district for each person to be elected. A landowner
699 may vote in person or by proxy in writing. Each proxy must be
700 signed by one of the legal owners of the property for which the
701 vote is cast and must contain the typed or printed name of the
702 individual who signed the proxy; the street address, legal
703 description of the property, or tax parcel identification
704 number; and the number of authorized votes. If the proxy
705 authorizes more than one vote, each property must be listed and
706 the number of acres of each property must be included. The
707 signature on a proxy need not be notarized. A fraction of an
708 acre shall be treated as 1 acre, entitling the landowner to one
709 vote with respect thereto. The three candidates receiving the
710 highest number of votes shall each be elected for terms expiring
711 November 17, 2020, and the two candidates receiving the next
712 largest number of votes shall each be elected for terms expiring
713 November 20, 2018, with the term of office for each successful
714 candidate commencing upon election. The members of the first
715 board elected by landowners shall serve their respective terms;
716 however, the next election of board members shall be held on the

718 Thereafter, there shall be an election by landowners for the
719 district every 2 years on the first Tuesday after the first
720 Monday in November, which shall be noticed pursuant to paragraph
721 (a). The second and subsequent landowners' election shall be
722 announced at a public meeting of the board at least 90 days
723 before the date of the landowners' meeting and shall also be
724 noticed pursuant to paragraph (a). Instructions on how all
725 landowners may participate in the election, along with sample
726 proxies, shall be provided during the board meeting that
727 announces the landowners' meeting. Each supervisor elected in or
728 after November 2018 shall serve a 4-year term.

729 (3) (a) 1. The board may not exercise the ad valorem taxing
730 power authorized by this act until such time as all members of
731 the board are qualified electors who are elected by qualified
732 electors of the district.

733 2.a. Regardless of whether the district has proposed to
734 levy ad valorem taxes, board members shall begin being elected
735 by qualified electors of the district as the district becomes
736 populated with qualified electors. The transition shall occur
737 such that the composition of the board, after the first general
738 election following a trigger of the qualified elector population
739 thresholds set forth below, shall be as follows:

740 (I) Once 10,000 qualified electors reside within the
741 district, one governing board member shall be a person who is a

746 district, two governing board members shall be persons who are
747 qualified electors of the district and who were elected by the
748 qualified electors, and three governing board members shall be
749 persons elected by the landowners.

750 (III) Once 30,000 qualified electors reside within the
751 district, three governing board members shall be persons who are
752 qualified electors of the district and who were elected by the
753 qualified electors and two governing board members shall be
754 persons who were elected by the landowners.

755 (IV) Once 40,000 qualified electors reside within the
756 district, four governing board members shall be persons who are
757 qualified electors of the district and who were elected by the
758 qualified electors and one governing board member shall be a
759 person who was elected by the landowners.

760 (V) Once 45,000 qualified electors reside within the
761 district, all five governing board members shall be persons who
762 are qualified electors of the district and who were elected by
763 the qualified electors. In the event less than 45,000 qualified

769 Nothing in this sub-subparagraph is intended to require an
770 election prior to the expiration of an existing board member's
771 term.

772 b. On or before June 1 of each election year, the board
773 shall determine the number of qualified electors in the district
774 as of the immediately preceding April 15. The board shall use
775 and rely upon the official records maintained by the supervisor
776 of elections and property appraiser or tax collector in Osceola
777 County in making this determination. Such determination shall be
778 made at a properly noticed meeting of the board and shall become
779 a part of the official minutes of the district.

780 c. All governing board members elected by qualified
781 electors shall be elected at large at an election occurring as
782 provided in subsection (2) and this subsection.

783 d. All governing board members elected by qualified
784 electors shall reside in the district.

785 e. Once the district qualifies to have any of its board
786 members elected by the qualified electors of the district, the
787 initial and all subsequent elections by the qualified electors
788 of the district shall be held at the general election in
789 November. The board shall adopt a resolution, if necessary, to
790 implement this requirement. The transition process described

793 (b) Elections of board members by qualified electors held
 794 pursuant to this subsection shall be nonpartisan and shall be
 795 conducted in the manner prescribed by law for holding general
 796 elections. Board members shall assume the office on the second
 797 Tuesday following their election.

798 (c) Candidates seeking election to office by qualified
 799 electors under this subsection shall conduct their campaigns in
 800 accordance with the provisions of chapter 106, Florida Statutes,
 801 and shall file qualifying papers and qualify for individual
 802 seats in accordance with s. 99.061, Florida Statutes.

803 (d) The supervisor of elections shall appoint the
 804 inspectors and clerks of elections, prepare and furnish the
 805 ballots, designate polling places, and canvass the returns of
 806 the election of board members by qualified electors. The county
 807 canvassing board shall declare and certify the results of the
 808 election.

809 (4) Members of the board, regardless of how elected, shall
 810 be public officers, shall be known as supervisors, and, upon
 811 entering into office, shall take and subscribe to the oath of
 812 office as prescribed by s. 876.05, Florida Statutes. Members of

 817 If, during the term of office, a vacancy occurs, the remaining
 818 members of the board shall fill each vacancy by an appointment
 819 for the remainder of the unexpired term.

820 (5) Any elected member of the board of supervisors may be
 821 removed by the Governor for malfeasance, misfeasance,
 822 dishonesty, incompetency, or failure to perform the duties
 823 imposed upon him or her by this act, and any vacancies that may
 824 occur in such office for such reasons shall be filled by the
 825 Governor as soon as practicable.

826 (6) A majority of the members of the board constitutes a
 827 quorum for the purposes of conducting its business and
 828 exercising its powers and for all other purposes. Action taken
 829 by the district shall be upon a vote of a majority of the
 830 members present unless general law or a rule of the district
 831 requires a greater number.

832 (7) As soon as practicable after each election or
 833 appointment, the board shall organize by electing one of its
 834 members as chair and by electing a secretary, who need not be a
 835 member of the board, and such other officers as the board may
 836 deem necessary.

837 (8) The board shall keep a permanent record book entitled

844 chapter 119, Florida Statutes. The record book shall be kept at
845 the office or other regular place of business maintained by the
846 board in a designated location in Osceola County.

847 (9) Each supervisor shall not be entitled to receive
848 compensation for his or her services; however, each supervisor
849 shall receive travel and per diem expenses as set forth in s.
850 112.061, Florida Statutes.

851 (10) All meetings of the board shall be open to the public
852 and governed by the provisions of chapter 286, Florida Statutes.

853 Section 6. Board of supervisors; general duties.—

854 (1) DISTRICT MANAGER AND EMPLOYEES.—The board shall employ
855 and fix the compensation of a district manager, who shall have
856 charge and supervision of the works of the district and shall be
857 responsible for preserving and maintaining any improvement or

860 the district, and for performing such other duties as may be
861 prescribed by the board. It shall not be a conflict of interest
862 under chapter 112, Florida Statutes, for a board member, the

870 the district shall be as provided by the board.

871 (2) TREASURER.—The board shall designate a person who is a
872 resident of the state as treasurer of the district, who shall
873 have charge of the funds of the district. Such funds shall be
874 disbursed only upon the order of or pursuant to a resolution of
875 the board by warrant or check countersigned by the treasurer and
876 by such other person as may be authorized by the board. The
877 board may give the treasurer such other or additional powers and
878 duties as the board may deem appropriate and may fix his or her
879 compensation. The board may require the treasurer to give a bond
880 in such amount, on such terms, and with such sureties as may be
881 deemed satisfactory to the board to secure the performance by
882 the treasurer of his or her powers and duties. The financial
883 records of the board shall be audited by an independent
884 certified public accountant at least once a year.

885 (3) PUBLIC DEPOSITORY.—The board is authorized to select

895 form and such manner as prescribed pursuant to this act and
896 chapter 218, Florida Statutes, as amended from time to time.

897 (b) On or before July 15 of each year, the district

1355 sale after such advertisement, if any, as the board may deem
1356 advisable, but not in any event at less than 90 percent of the
1357 par value thereof, together with accrued interest thereon. Bonds
1358 may be sold or exchanged for refunding bonds. Special assessment
1359 and revenue bonds may be delivered by the district as payment of
1360 the purchase price of any project or part thereof, or a

 1363 including franchises or services rendered by any contractor,
 1364 engineer, or other person, all at one time or in blocks from
 1365 time to time, in such manner and upon such terms as the board in
 1366 its discretion shall determine. The price or prices for any
 1367 bonds sold, exchanged, or delivered may be:

- 1368 1. The money paid for the bonds.
- 1369 2. The principal amount, plus accrued interest to the date
 1370 of redemption or exchange, or outstanding obligations exchanged
 1371 for refunding bonds.

- 1372 3. In the case of special assessment or revenue bonds, the
 1373 amount of any indebtedness to contractors or other persons paid
 1374 with such bonds, or the fair value of any properties exchanged
 1375 for the bonds, as determined by the board.

1376 (b) Authorization and form of bonds.—Any general
 1377 obligation bonds, special assessment bonds, or revenue bonds may
 1378 be authorized by resolution or resolutions of the board which
 1379 shall be adopted by a majority of all the members thereof then
 1380 in office. Such resolution or resolutions may be adopted at the
 1381 same meeting at which they are introduced and need not be
 1382 published or posted. The board may, by resolution, authorize the
 1383 issuance of bonds and fix the aggregate amount of bonds to be
 1384 issued; the purpose or purposes for which the moneys derived
 1385 therefrom shall be expended, including, but not limited to,

1386 payment of costs as defined in section 2(2)(i); the rate or
 1387 rates of interest, not to exceed the maximum rate allowed by
 1388 general law; the denomination of the bonds; whether or not the
 1389 bonds are to be issued in one or more series; the date or dates
 1390 of maturity, which shall not exceed 40 years from their
 1391 respective dates of issuance; the medium of payment; the place
 1392 or places within or without the state at which payment shall be
 1393 made; registration privileges; redemption terms and privileges,
 1394 whether with or without premium; the manner of execution; the
 1395 form of the bonds, including any interest coupons to be attached
 1396 thereto; the manner of execution of bonds and coupons; and any
 1397 and all other terms, covenants, and conditions thereof and the
 1398 establishment of revenue or other funds. Such authorizing
 1399 resolution or resolutions may further provide for the contracts
 1400 authorized by s. 159.825(1)(f) and (g), Florida Statutes,
 1401 regardless of the tax treatment of such bonds being authorized,
 1402 subject to the finding by the board of a net saving to the
 1403 district resulting by reason thereof. Such authorizing
 1404 resolution may further provide that such bonds may be executed
 1405 in accordance with the Registered Public Obligations Act, except
 1406 that bonds not issued in registered form shall be valid if
 1407 manually countersigned by an officer designated by appropriate
 1408 resolution of the board. The seal of the district may be
 1409 affixed, lithographed, engraved, or otherwise reproduced in
 1410 facsimile on such bonds. In case any officer whose signature

 1412 officer before the delivery of such bonds, such signature or
 1413 facsimile shall nevertheless be valid and sufficient for all
 1414 purposes the same as if he or she had remained in office until
 1415 such delivery.

1416 (c) Interim certificates; replacement certificates.—
 1417 Pending the preparation of definitive bonds, the board may issue
 1418 interim certificates or receipts or temporary bonds, in such
 1419 form and with such provisions as the board may determine,
 1420 exchangeable for definitive bonds when such bonds have been
 1421 executed and are available for delivery. The board may also
 1422 provide for the replacement of any bonds which become mutilated,
 1423 lost, or destroyed.

1424 (d) Negotiability of bonds.—Any bond issued under this act
 1425 or any temporary bond, in the absence of an express recital on
 1426 the face thereof that it is nonnegotiable, shall be fully
 1427 negotiable and shall be and constitute a negotiable instrument
 1428 within the meaning and for all purposes of the law merchant and
 1429 the laws of the state.

1430 (e) Defeasance.—The board may make such provision with
 1431 respect to the defeasance of the right, title, and interest of
 1432 the holders of any of the bonds and obligations of the district
 1433 in any revenues, funds, or other properties by which such bonds
 1434 are secured as the board deems appropriate and, without
 1435 limitation on the foregoing, may provide that when such bonds or

1436 obligations become due and payable or shall have been called for
 1437 redemption and the whole amount of the principal and interest
 1438 and premium, if any, due and payable upon the bonds or
 1439 obligations then outstanding shall be held in trust for such
 1440 purpose, and provision shall also be made for paying all other
 1441 sums payable in connection with such bonds or other obligations,
 1442 then and in such event the right, title, and interest of the
 1443 holders of the bonds in any revenues, funds, or other properties
 1444 by which such bonds are secured shall thereupon cease,
 1445 terminate, and become void; and the board may apply any surplus
 1446 in any sinking fund established in connection with such bonds or
 1447 obligations and all balances remaining in all other funds or
 1448 accounts other than moneys held for the redemption or payment of
 1449 the bonds or other obligations to any lawful purpose of the
 1450 district as the board shall determine.

1451 (f) Issuance of additional bonds.—If the proceeds of any
 1452 bonds are less than the cost of completing the project in
 1453 connection with which such bonds were issued, the board may
 1454 authorize the issuance of additional bonds, upon such terms and
 1455 conditions as the board may provide in the resolution
 1456 authorizing the issuance thereof, but only in compliance with
 1457 the resolution or other proceedings authorizing the issuance of
 1458 the original bonds.

1459 (g) Refunding bonds.—The district shall have the power to

1461 bonds or obligations of the district that at the time of such
 1462 issuance are or subsequent thereto become due and payable, or
 1463 that at the time of issuance have been called or are, or will
 1464 be, subject to call for redemption within 10 years thereafter,
 1465 or the surrender of which can be procured from the holders
 1466 thereof at prices satisfactory to the board. Refunding bonds may
 1467 be issued at any time that in the judgment of the board such
 1468 issuance will be advantageous to the district. No approval of
 1469 the qualified electors residing in the district shall be
 1470 required for the issuance of refunding bonds except in cases in
 1471 which such approval is required by the State Constitution. The
 1472 board may by resolution confer upon the holders of such
 1473 refunding bonds all rights, powers, and remedies to which the
 1474 holders would be entitled if they continued to be the owners and
 1475 had possession of the bonds for the refinancing of which such
 1476 refunding bonds are issued, including, but not limited to, the
 1477 preservation of the lien of such bonds on the revenues of any
 1478 project or on pledged funds, without extinguishment, impairment,
 1479 or diminution thereof. The provisions of this act pertaining to
 1480 bonds of the district shall, unless the context otherwise
 1481 requires, govern the issuance of refunding bonds, the form and
 1482 other details thereof, the rights of the holders thereof, and
 1483 the duties of the board with respect to them.

1485 1. The district shall have the power to issue revenue
 1486 bonds from time to time without limitation as to amount. Such
 1487 revenue bonds may be secured by, or payable from, the gross or
 1488 net pledge of the revenues to be derived from any project or
 1489 combination of projects; from the rates, fees, or other charges
 1490 to be collected from the users of any project or projects; from
 1491 any revenue-producing undertaking or activity of the district;
 1492 from special assessments; or from benefit special assessments;
 1493 or from any other source or pledged security. Such bonds shall
 1494 not constitute an indebtedness of the district, and the approval
 1495 of the qualified electors shall not be required unless such
 1496 bonds are additionally secured by the full faith and credit and
 1497 taxing power of the district.

1498 2. Any two or more projects may be combined and
 1499 consolidated into a single project and may hereafter be operated
 1500 and maintained as a single project. The revenue bonds authorized
 1501 herein may be issued to finance any one or more of such
 1502 projects, regardless of whether or not such projects have been
 1503 combined and consolidated into a single project. If the board
 1504 deems it advisable, the proceedings authorizing such revenue
 1505 bonds may provide that the district may thereafter combine the
 1506 projects then being financed or theretofore financed with other
 1507 projects to be subsequently financed by the district and that
 1508 revenue bonds to be thereafter issued by the district shall be

 1511 in the proceeding which authorized the original bonds.

1512 (i) General obligation bonds.—

1513 1. Subject to the limitations of this charter, the
 1514 district shall have the power from time to time to issue general
 1515 obligation bonds to finance or refinance capital projects or to
 1516 refund outstanding bonds in an aggregate principal amount of
 1517 bonds outstanding at any one time not in excess of 35 percent of
 1518 the assessed value of the taxable property within the district
 1519 as shown on the pertinent tax records at the time of the
 1520 authorization of the general obligation bonds for which the full
 1521 faith and credit of the district is pledged. Except for
 1522 refunding bonds, no general obligation bonds shall be issued
 1523 unless the bonds are issued to finance or refinance a capital
 1524 project and the issuance has been approved at an election held
 1525 in accordance with the requirements for such election as
 1526 prescribed by the State Constitution. Such elections shall be
 1527 called to be held in the district by the Board of County
 1528 Commissioners of Osceola County upon the request of the board of
 1529 the district. The expenses of calling and holding an election
 1530 shall be at the expense of the district and the district shall
 1531 reimburse the county for any expenses incurred in calling or
 1532 holding such election.

1533 2. The district may pledge its full faith and credit for
 1534 the payment of the principal and interest on such general

1537 valorem taxes on all taxable property in the district, to the
1538 extent necessary for the payment thereof, without limitation as
1539 to rate or amount.

1540 3. If the board determines to issue general obligation
1541 bonds for more than one capital project, the approval of the
1542 issuance of the bonds for each and all such projects may be
1543 submitted to the electors on one and the same ballot. The
1544 failure of the electors to approve the issuance of bonds for any
1545 one or more capital projects shall not defeat the approval of
1546 bonds for any capital project which has been approved by the
1547 electors.

1548 4. In arriving at the amount of general obligation bonds
1549 permitted to be outstanding at any one time pursuant to
1550 subparagraph 1., there shall not be included any general
1551 obligation bonds that are additionally secured by the pledge of:

1552 a. Any assessments levied in an amount sufficient to pay
1553 the principal and interest on the general obligation bonds so
1554 additionally secured, which assessments have been equalized and
1555 confirmed by resolution of the board pursuant to this act or s.
1556 170.08, Florida Statutes.

1561 c. Any combination of assessments and revenues described
 1562 in sub-subparagraphs a. and b.

1563 (j) Bonds as legal investment or security.—

1564 1. Notwithstanding any provisions of any other law to the
 1565 contrary, all bonds issued under the provisions of this act
 1566 shall constitute legal investments for savings banks, banks,
 1567 trust companies, insurance companies, executors, administrators,
 1568 trustees, guardians, and other fiduciaries and for any board,
 1569 body, agency, instrumentality, county, municipality, or other
 1570 political subdivision of the state and shall be and constitute
 1571 security which may be deposited by banks or trust companies as
 1572 security for deposits of state, county, municipal, or other
 1573 public funds or by insurance companies as required or voluntary
 1574 statutory deposits.

1575 2. Any bonds issued by the district shall be incontestable
 1576 in the hands of bona fide purchasers or holders for value and
 1577 shall not be invalid because of any irregularity or defect in
 1578 the proceedings for the issue and sale thereof.

1579 (k) Covenants.—Any resolution authorizing the issuance of
 1580 bonds may contain such covenants as the board may deem
 1581 advisable, and all such covenants shall constitute valid and

1588 respect to the operation of the project and the maintenance of
1589 adequate project revenues; the issuance of additional bonds; the
1590 appointment, powers, and duties of trustees and receivers; the
1591 acquisition of outstanding bonds and obligations; restrictions
1592 on the establishing of competing projects or facilities;
1593 restrictions on the sale or disposal of the assets and property
1594 of the district; the priority of assessment liens; the priority
1595 of claims by bondholders on the taxing power of the district;
1596 the maintenance of deposits to ensure the payment of revenues by
1597 users of district facilities and services; the discontinuance of
1598 district services by reason of delinquent payments; acceleration
1599 upon default; the execution of necessary instruments; the
1600 procedure for amending or abrogating covenants with the
1601 bondholders; and such other covenants as may be deemed necessary
1602 or desirable for the security of the bondholders.

1603 (1) Validation proceedings.—The power of the district to
1604 issue bonds under the provisions of this act may be determined,
1605 and any of the bonds of the district maturing over a period of
1606 more than 5 years shall be validated and confirmed, by court

1609 (m) Tax exemption.—To the extent allowed by general law,
 1610 all bonds issued hereunder and interest paid thereon and all
 1611 fees, charges, and other revenues derived by the district from
 1612 the projects provided by this act are exempt from all taxes by
 1613 the state or by any political subdivision, agency, or
 1614 instrumentality thereof; however, any interest, income, or
 1615 profits on debt obligations issued hereunder are not exempt from
 1616 the tax imposed by chapter 220, Florida Statutes. Further, the
 1617 district is not exempt from the provisions of chapter 212,
 1618 Florida Statutes.

1619 (n) Application of s. 189.051, Florida Statutes.—Bonds
 1620 issued by the district shall meet the criteria set forth in s.
 1621 189.051, Florida Statutes.

1622 (o) Act furnishes full authority for issuance of bonds.—
 1623 This act constitutes full and complete authority for the
 1624 issuance of bonds and the exercise of the powers of the district
 1625 provided herein. No procedures or proceedings, publications,
 1626 notices, consents, approvals, orders, acts, or things by the
 1627 board, or any board, officer, commission, department, agency, or
 1628 instrumentality of the district, other than those required by
 1629 this act, shall be required to perform anything under this act,
 1630 except that the issuance or sale of bonds pursuant to the
 1631 provisions of this act shall comply with the general law
 1632 requirements applicable to the issuance or sale of bonds by the
 1633 district. Nothing in this act shall be construed to authorize

1634 the district to utilize bond proceeds to fund the ongoing
1635 operations of the district.

1636 (p) Pledge by the state to the bondholders of the
1637 district.—The state pledges to the holders of any bonds issued
1638 under this act that it will not limit or alter the rights of the
1639 district to own, acquire, construct, reconstruct, improve,
1640 maintain, operate, or furnish the projects or to levy and
1641 collect the taxes, assessments, rentals, rates, fees, and other
1642 charges provided for herein and to fulfill the terms of any
1643 agreement made with the holders of such bonds or other
1644 obligations and that it will not in any way impair the rights or
1645 remedies of such holders.

1646 (q) Default.—A default on the bonds or obligations of a
1647 district shall not constitute a debt or obligation of the state
1648 or any general-purpose local government or the state. In the
1649 event of a default or dissolution of the district, no local
1650 general-purpose government shall be required to assume the
1651 property of the district, the debts of the district, or the
1652 district's obligations to complete any infrastructure
1653 improvements or provide any services to the district. The
1654 provisions of s. 189.076(2), Florida Statutes, shall not apply

 1661 the bonds or such trust agreement may pledge the revenues to be
 1662 received from any projects of the district and may contain such
 1663 provisions for protecting and enforcing the rights and remedies
 1664 of the bondholders as the board may approve, including, without
 1665 limitation, covenants setting forth the duties of the district
 1666 in relation to: the acquisition, construction, reconstruction,
 1667 improvement, maintenance, repair, operation, and insurance of
 1668 any projects; the fixing and revising of the rates, fees, and
 1669 charges; and the custody, safeguarding, and application of all
 1670 moneys and for the employment of consulting engineers in
 1671 connection with such acquisition, construction, reconstruction,
 1672 improvement, maintenance, repair, or operation. It shall be
 1673 lawful for any bank or trust company within or without the state
 1674 which may act as a depository of the proceeds of bonds or of
 1675 revenues to furnish such indemnifying bonds or to pledge such
 1676 securities as may be required by the district. Such resolution
 1677 or trust agreement may set forth the rights and remedies of the
 1678 bondholders and of the trustee, if any, and may restrict the
 1679 individual right of action by bondholders. The board may provide
 1680 for the payment of proceeds of the sale of the bonds and the

1688 (12) AD VALOREM TAXES; ASSESSMENTS, BENEFIT SPECIAL
 1689 ASSESSMENTS, MAINTENANCE SPECIAL ASSESSMENTS, AND SPECIAL
 1690 ASSESSMENTS; MAINTENANCE TAXES.—

1691 (a) Ad valorem taxes.—At such time as all members of the
 1692 board are qualified electors who are elected by qualified
 1693 electors of the district, the board shall have the power to levy
 1694 and assess an ad valorem tax on all the taxable property in the
 1695 district to construct, operate, and maintain assessable
 1696 improvements; to pay the principal of, and interest on, any
 1697 general obligation bonds of the district; and to provide for any
 1698 sinking or other funds established in connection with any such
 1699 bonds. An ad valorem tax levied by the board for operating
 1700 purposes, exclusive of debt service on bonds, shall not exceed 3
 1701 mills. The ad valorem tax provided for herein shall be in
 1702 addition to county and all other ad valorem taxes provided for

 1704 same manner and at the same time as county taxes. The levy of ad
 1705 valorem taxes must be approved by referendum as required by

1712 and collected, in which case such annual installment and levy
1713 shall be evidenced to and certified to the property appraiser by
1714 the board not later than August 31 of each year. Such assessment
1715 shall be entered by the property appraiser on the county tax
1716 rolls and shall be collected and enforced by the tax collector
1717 in the same manner and at the same time as county taxes, and the
1718 proceeds thereof shall be paid to the district. However, this
1719 subsection shall not prohibit the district in its discretion
1720 from using the method prescribed in either s. 197.3632 or
1721 chapter 173, Florida Statutes, as each may be amended from time
1722 to time, for collecting and enforcing these assessments. Each
1723 annual installment of benefit special assessments shall be a
1724 lien on the property against which assessed until paid and shall
1725 be enforceable in like manner as county taxes. The amount of the
1726 assessment for the exercise of the district's powers under
1727 subsections (6) and (7) shall be determined by the board based
1728 upon a report of the district's engineer and assessed by the
1729 board upon such lands, which may be part or all of the lands
1730 within the district benefited by the improvement, apportioned
1731 between benefited lands in proportion to the benefits received

1737 parcel, shall constitute a prepayment of all future annual
1738 installments of such benefit special assessments and that the
1739 payment of which amount with respect to such tax parcel shall
1740 relieve and discharge such tax parcel of the lien of such
1741 benefit special assessments and any subsequent annual
1742 installment thereof. The board may provide further that upon
1743 delinquency in the payment of any annual installment of benefit
1744 special assessments, the prepayment amount of all future annual
1745 installments of benefit special assessments as determined in the
1746 preceding sentence shall be and become immediately due and
1747 payable together with such delinquent annual installment.

1748 (c) Non-ad valorem maintenance taxes.—If and when
1749 authorized by general law, to maintain and to preserve the
1750 physical facilities and services constituting the works,
1751 improvements, or infrastructure owned by the district pursuant
1752 to this act, to repair and restore any one or more of them, when

1771 and the proceeds therefrom shall be paid to the district. This
1772 non-ad valorem maintenance tax shall be a lien until paid on the
1773 property against which assessed and enforceable in like manner
1774 and of the same dignity as county ad valorem taxes.

1775 (d) Maintenance special assessments.—To maintain and
1776 preserve the facilities and projects of the district, the board
1777 may levy a maintenance special assessment. This assessment may
1778 be evidenced to and certified to the tax collector by the board
1779 of supervisors not later than August 31 of each year and shall
1780 be entered by the property appraiser on the county tax rolls and
1781 shall be collected and enforced by the tax collector in the same
1782 manner and at the same time as county taxes, and the proceeds
1783 therefrom shall be paid to the district. However, this

1784 subsection shall not prohibit the district in its discretion
 1785 from using the method prescribed in s. 197.363, s. 197.3631, or
 1786 s. 197.3632, Florida Statutes, for collecting and enforcing
 1787 these assessments. These maintenance special assessments shall
 1788 be a lien on the property against which assessed until paid and
 1789 shall be enforceable in like manner as county taxes. The amount
 1790 of the maintenance special assessment for the exercise of the
 1791 district's powers under this section shall be determined by the
 1792 board based upon a report of the district's engineer and
 1793 assessed by the board upon such lands, which may be all of the
 1794 lands within the district benefited by the maintenance thereof,
 1795 apportioned between the benefited lands in proportion to the
 1796 benefits received by each tract of land.

1797 (e) Special assessments.—The board may levy and impose any
 1798 special assessments pursuant to this subsection.

1799 (f) Enforcement of taxes.—The collection and enforcement

 1805 redemption thereof; the issuance to individuals of tax deeds
 1806 based thereon; and all other procedures in connection therewith
 1807 shall be applicable to the district to the same extent as if

1808 such statutory provisions were expressly set forth herein. All
 1809 taxes shall be subject to the same discounts as county taxes.

1810 (g) When unpaid tax is delinquent; penalty.—All taxes
 1811 provided for in this act shall become delinquent and bear
 1812 penalties on the amount of such taxes in the same manner as
 1813 county taxes.

1814 (h) Status of assessments.—Benefit special assessments,
 1815 maintenance special assessments, and special assessments are
 1816 hereby found and determined to be non-ad valorem assessments as
 1817 defined by s. 197.3632, Florida Statutes. Maintenance taxes are
 1818 non-ad valorem taxes and are not special assessments.

1819 (i) Assessments constitute liens; collection.—Any and all
 1820 assessments, including special assessments, benefit special
 1821 assessments, and maintenance special assessments authorized by
 1822 this section, and including special assessments as defined by
 1823 section 2(2)(z) and granted and authorized by this subsection,
 1824 and including maintenance taxes if authorized by general law,
 1825 shall constitute a lien on the property against which assessed
 1826 from the date of levy and imposition thereof until paid, coequal
 1827 with the lien of state, county, municipal, and school board
 1828 taxes. These assessments may be collected, at the district's
 1829 discretion, under authority of s. 197.3631, Florida Statutes, as
 1830 amended from time to time, by the tax collector pursuant to the
 1831 provisions of ss. 197.3632 and 197.3635, Florida Statutes, as

1833 collection measures provided by law. In addition to, and not in

 1835 general law, these assessments may also be enforced pursuant to
 1836 the provisions of chapter 173, Florida Statutes, as amended from
 1837 time to time.

1838 (j) Land owned by governmental entity.—Except as otherwise
 1839 provided by law, no levy of ad valorem taxes or non-ad valorem
 1840 assessments under this act or chapter 170 or chapter 197,
 1841 Florida Statutes, as each may be amended from time to time, or
 1842 otherwise, by a board of the district, on property of a
 1843 governmental entity that is subject to a ground lease as
 1844 described in s. 190.003(14), Florida Statutes, shall constitute
 1845 a lien or encumbrance on the underlying fee interest of such
 1846 governmental entity.

1847 (13) SPECIAL ASSESSMENTS.—

1848 (a) As an alternative method to the levy and imposition of

 1851 pursuant to other provisions of general law, now or hereafter
 1852 enacted, which provide a supplemental means or authority to

1857 1. At a noticed meeting, the board of supervisors of the
 1858 district may consider and review an engineer's report on the
 1859 costs of the systems, facilities, and services to be provided, a
 1860 preliminary special assessment methodology, and a preliminary
 1861 roll based on acreage or platted lands, depending upon whether
 1862 platting has occurred.

1863 a. The special assessment methodology shall address and
 1864 discuss and the board shall consider whether the systems,
 1865 facilities, and services being contemplated will result in
 1866 special benefits peculiar to the property, different in kind and
 1867 degree than general benefits, as a logical connection between
 1868 the systems, facilities, and services themselves and the
 1869 property, and whether the duty to pay the special assessments by
 1870 the property owners is apportioned in a manner that is fair and
 1871 equitable and not in excess of the special benefit received. It
 1872 shall be fair and equitable to designate a fixed proportion of
 1873 the annual debt service, together with interest thereon, on the

 1884 construction or reconstruction, labor, and materials, lands,
 1885 property, rights, easements, franchises, or systems, facilities,

 1909 and declare by an initial special assessment resolution to levy
 1910 and assess the special assessments with respect to assessable
 1911 improvements stating the nature of the systems, facilities, and
 1912 services, improvements, projects, or infrastructure constituting

 1934 notice shall include the amount of the special assessment and
 1935 shall be served by mailing a copy to each assessed property
 1936 owner at his or her last known address, the names and addresses
 1937 of such property owners to be obtained from the record of the
 1938 property appraiser of the county political subdivision in which
 1939 the land is located or from such other sources as the district
 1940 manager or engineer deems reliable, and proof of such mailing
 1941 shall be made by the affidavit of the manager of the district or
 1942 by the engineer, said proof to be filed with the district
 1943 manager, provided that failure to mail said notice or notices
 1944 shall not invalidate any of the proceedings hereunder. It is

 1959 the office of the engineer or any other office designated by the
 1960 board of supervisors in the notice resolution. Notwithstanding
 1961 the foregoing, the landowners of all of the property which is
 1962 proposed to be assessed may give the district written notice of

 1964 subparagraph and such notice and publication shall not be
 1965 required, provided, however, that any meeting of the board of
 1966 supervisors to consider such resolution shall be a publicly
 1967 noticed meeting.

1968 3. At the time and place named in the noticed resolution
 1969 as provided for in subparagraph 2., the board of supervisors of
 1970 the district shall meet and hear testimony from affected
 1971 property owners as to the propriety and advisability of making

 1983 complaints as to the particular special assessments and shall
 1984 adjust and equalize the special assessments to ensure proper
 1985 assessment based on the benefit conferred on the property.

1986 4. When so equalized and approved by resolution or
 1987 ordinance by the board of supervisors, to be called the final
 1988 special assessment resolution, a final special assessment roll
 1989 shall be filed with the clerk of the board and such special

 1991 binding first liens on the property against which such special
 1992 assessments are made until paid, equal in dignity to the first
 1993 liens of ad valorem taxation of county and municipal governments
 1994 and school boards. However, upon completion of the systems,
 1995 facilities, service, project, improvement, works, or
 1996 infrastructure, the district shall credit to each of the

 2001 determined upon the completion of the improvement; but in no
 2002 event shall the final special assessment exceed the amount of

 2005 being provided as originally assessed. Promptly after such

2007 clerk of the district in the minutes of the proceedings of the
2008 district, and the record of the lien in this set of minutes
2009 shall constitute prima facie evidence of its validity. The board
2010 of supervisors, in its sole discretion, may, by resolution grant
2011 a discount equal to all or a part of the payee's proportionate
2012 share of the cost of the project consisting of bond financing
2013 cost, such as capitalized interest, funded reserves, and bond
2014 discounts included in the estimated cost of the project, upon
2015 payment in full of any special assessments during such period
2016 prior to the time such financing costs are incurred as may be
2017 specified by the board of supervisors in such resolution.

2018 5. District special assessments may be made payable in
2019 installments over no more than 40 years from the date of the
2020 payment of the first installment thereof and may bear interest
2021 at fixed or variable rates.

2022 (b) Notwithstanding any provision of this act or chapter

2024 Statutes, that provides that special assessments may be paid
2025 without interest at any time within 30 days after the

 2033 the exercise of its rulemaking power to adopt a rule or rules
 2034 which provides or provide for notice, levy, imposition,
 2035 equalization, and collection of assessments.

2036 (14) ISSUANCE OF CERTIFICATES OF INDEBTEDNESS BASED ON
 2037 ASSESSMENTS FOR ASSESSABLE IMPROVEMENTS; ASSESSMENT BONDS.—

2038 (a) The board may, after any special assessments or
 2039 benefit special assessments for assessable improvements are
 2040 made, determined, and confirmed as provided in this act, issue
 2041 certificates of indebtedness for the amount so assessed against
 2042 the abutting property or property otherwise benefited, as the
 2043 case may be, and separate certificates shall be issued against
 2044 each part or parcel of land or property assessed, which
 2045 certificates shall state the general nature of the improvement
 2046 for which the assessment is made. The certificates shall be
 2047 payable in annual installments in accordance with the
 2048 installments of the special assessment for which they are
 2049 issued. The board may determine the interest to be borne by such
 2050 certificates, not to exceed the maximum rate allowed by general
 2051 law, and may sell such certificates at either private or public

 2058 revenue bonds or general obligation bonds issued to finance in
 2059 whole or in part such assessable improvement, or, if not so
 2060 pledged, may be used to pay the cost or part of the cost of such
 2061 assessable improvements.

2062 (b) The district may also issue assessment bonds, revenue
 2063 bonds, or other obligations payable from a special fund into
 2064 which such certificates of indebtedness referred to in paragraph
 2065 (a) may be deposited or, if such certificates of indebtedness
 2066 have not been issued, the district may assign to such special
 2067 fund for the benefit of the holders of such assessment bonds or
 2068 other obligations, or to a trustee for such bondholders, the
 2069 assessment liens provided for in this act unless such
 2070 certificates of indebtedness or assessment liens have been

 2088 fund; and to make any other covenants deemed necessary or
 2089 advisable in order to properly secure the holders of such
 2090 assessment bonds or other obligations.

2091 (c) The assessment bonds, revenue bonds, or other
 2092 obligations issued pursuant to this section shall have such
 2093 dates of issue and maturity as shall be deemed advisable by the
 2094 board; however, the maturities of such assessment bonds or other

 2097 assessments for which such assessment liens, or the certificates
 2098 of indebtedness representing such assessment liens, are assigned

2112 incidents of negotiable instruments under the law merchant and
2113 the laws of the state.

2114 (15) TAX LIENS.—All taxes of the district provided for in
2115 this act, together with all penalties for default in the payment
2116 of the same and all costs in collecting the same, including a

 2186 PROVISIONS REQUIRED.—

2187 (a) No contract shall be let by the board for any goods,
 2188 supplies, or materials to be purchased when the amount thereof
 2189 to be paid by the district shall exceed the amount provided in
 2190 s. 287.017, Florida Statutes, as amended from time to time, for
 2191 category four, unless notice of bids shall be advertised once in
 2192 a newspaper in general circulation in Osceola County. Any board
 2193 seeking to construct or improve a public building, structure, or
 2194 other public works shall comply with the bidding procedures of
 2195 s. 255.20, Florida Statutes, as amended from time to time, and
 2196 other applicable general law. In each case, the bid of the
 2197 lowest responsive and responsible bidder shall be accepted
 2198 unless all bids are rejected because the bids are too high or
 2199 the board determines it is in the best interests of the district
 2200 to reject all bids. The board may require the bidders to furnish
 2201 bond with a responsible surety to be approved by the board.
 2202 Nothing in this subsection shall prevent the board from
 2203 undertaking and performing the construction, operation, and

2204 maintenance of any project or facility authorized by this act by
 2205 the employment of labor, material, and machinery.

2206 (b) The provisions of the Consultants' Competitive
 2207 Negotiation Act, s. 287.055, Florida Statutes, apply to
 2208 contracts for engineering, architecture, landscape architecture,
 2209 or registered surveying and mapping services let by the board.

2210 (c) Contracts for maintenance services for any district
 2211 facility or project shall be subject to competitive bidding
 2212 requirements when the amount thereof to be paid by the district
 2213 exceeds the amount provided in s. 287.017, Florida Statutes, as
 2214 amended from time to time, for category four. The district shall
 2215 adopt rules, policies, or procedures establishing competitive
 2216 bidding procedures for maintenance services. Contracts for other
 2217 services shall not be subject to competitive bidding unless the
 2218 district adopts a rule, policy, or procedure applying
 2219 competitive bidding procedures to said contracts. Nothing herein
 2220 shall preclude the use of requests for proposal instead of
 2221 invitations to bid as determined by the district to be in its
 2222 best interest.

2223 (20) FEES, RENTALS, AND CHARGES; PROCEDURE FOR ADOPTION
 2224 AND MODIFICATIONS; MINIMUM REVENUE REQUIREMENTS.—

2225 (a) The district is authorized to prescribe, fix,

2229 services furnished by the district, within the limits of the
2230 district, including, but not limited to, recreational
2231 facilities, water management and control facilities, and water
2232 and sewer systems; to recover the costs of making connection
2233 with any district service, facility, or system; and to provide
2234 for reasonable penalties against any user or property for any
2235 such rates, fees, rentals, or other charges that are delinquent.
2236 (b) No such rates, fees, rentals, or other charges for any
2237 of the facilities or services of the district shall be fixed
2238 until after a public hearing at which all the users of the
2239 proposed facility or services or owners, tenants, or occupants
2240 served or to be served thereby and all other interested persons
2241 shall have an opportunity to be heard concerning the proposed
2242 rates, fees, rentals, or other charges. Rates, fees, rentals,
2243 and other charges shall be adopted under the administrative
2244 rulemaking authority of the district, but shall not apply to
2245 district leases. Notice of such public hearing setting forth the
2246 proposed schedule or schedules of rates, fees, rentals, and
2247 other charges shall have been published in a newspaper of
2248 general circulation in Osceola County at least once and at least
2249 10 days prior to such public hearing. The rulemaking hearing may
2250 be adjourned from time to time. After such hearing, such
2251 schedule or schedules, either as initially proposed or as
2252 modified or amended, may be finally adopted. A copy of the
2253 schedule or schedules of such rates, fees, rentals, or charges

2254 as finally adopted shall be kept on file in an office designated
 2255 by the board and shall be open at all reasonable times to public
 2256 inspection. The rates, fees, rentals, or charges so fixed for
 2257 any class of users or property served shall be extended to cover
 2258 any additional users or properties thereafter served which shall
 2259 fall in the same class, without the necessity of any notice or
 2260 hearing.

2261 (c) Such rates, fees, rentals, and charges shall be just
 2262 and equitable and uniform for users of the same class, and when
 2263 appropriate may be based or computed either upon the amount of
 2264 service furnished, upon the average number of persons residing
 2265 or working in or otherwise occupying the premises served, or
 2266 upon any other factor affecting the use of the facilities
 2267 furnished, or upon any combination of the foregoing factors, as
 2268 may be determined by the board on an equitable basis.

2269 (d) The rates, fees, rentals, or other charges prescribed
 2270 shall be such as will produce revenues, together with any other
 2271 assessments, taxes, revenues, or funds available or pledged for
 2272 such purpose, at least sufficient to provide for the items
 2273 hereinafter listed, but not necessarily in the order stated:

2274 1. To provide for all expenses of operation and
 2275 maintenance of such facility or service.

2276 2. To pay when due all bonds and interest thereon for the
 2277 payment of which such revenues are, or shall have been, pledged
 2278 or encumbered, including reserves for such purpose.

2282 (e) The board shall have the power to enter into contracts
 2283 for the use of the projects of the district and with respect to
 2284 the services, systems, and facilities furnished or to be
 2285 furnished by the district.

2286 (21) RECOVERY OF DELINQUENT CHARGES.-In the event that any
 2287 rates, fees, rentals, charges, or delinquent penalties shall not
 2288 be paid as and when due and shall be in default for 60 days or
 2289 more, the unpaid balance thereof and all interest accrued
 2290 thereon, together with reasonable attorney fees and costs, may
 2291 be recovered by the district in a civil action.

2292 (22) DISCONTINUANCE OF SERVICE.-In the event the fees,
 2293 rentals, or other charges for district services or facilities
 2294 are not paid when due, the board shall have the power, under
 2295 such reasonable rules and regulations as the board may adopt, to
 2296 discontinue and shut off such services until such fees, rentals,
 2297 or other charges, including interest, penalties, and charges for
 2298 the shutting off and discontinuance and the restoration of such
 2299 services, are fully paid; and, for such purposes, the board may
 2300 enter on any lands, waters, or premises of any person, firm,
 2301 corporation, or body, public or private, within the district
 2302 limits. Such delinquent fees, rentals, or other charges,

 2306 be recovered by the district, which may also enforce payment of
 2307 such delinquent fees, rentals, or other charges by any other
 2308 lawful method of enforcement.

2309 (23) ENFORCEMENT AND PENALTIES.—The board or any aggrieved
 2310 person may have recourse to such remedies in law and at equity
 2311 as may be necessary to ensure compliance with the provisions of
 2312 this act, including injunctive relief to enjoin or restrain any
 2313 person violating the provisions of this act or any bylaws,
 2314 resolutions, regulations, rules, codes, or orders adopted under
 2315 this act. In case any building or structure is erected,
 2316 constructed, reconstructed, altered, repaired, converted, or
 2317 maintained, or any building, structure, land, or water is used,
 2318 in violation of this act or of any code, order, resolution, or
 2319 other regulation made under authority conferred by this act or
 2320 under law, the board or any citizen residing in the district may
 2321 institute any appropriate action or proceeding to prevent such
 2322 unlawful erection, construction, reconstruction, alteration,
 2323 repair, conversion, maintenance, or use; to restrain, correct,
 2324 or avoid such violation; to prevent the occupancy of such
 2325 building, structure, land, or water; and to prevent any illegal
 2326 act, conduct, business, or use in or about such premises, land,
 2327 or water.

2334 (25) EXEMPTION OF DISTRICT PROPERTY FROM EXECUTION.—All
 2335 district property shall be exempt from levy and sale by virtue
 2336 of an execution, and no execution or other judicial process

 2338 against the district be a charge or lien on its property or

 2340 limit the rights of bondholders to pursue any remedy for the
 2341 enforcement of any lien or pledge given by the district in
 2342 connection with any of the bonds or obligations of the district.

2343 (26) TERMINATION, CONTRACTION, OR EXPANSION OF DISTRICT.—
